Subject: **Application of GreatSeal PE-150 and LT 100 products with GreenGuard® products.**

We have completed our evaluation of the compatibility of the GreatSeal PE-150 (Polyether Sealant) and the GreatSeal LT-100 (Liquid Tape) products. It has been determined that these products are compatible with all of our GreenGuard® XPS Insulation Products and our GreenGuard® Building Wrap Line.

Both PE-150 and LT-100 are approved for use with our products mentioned above.

If I can be of further assistance, please do not hesitate to call.
