

PROJECT WARRANTY REQUEST FORM

-----FOR WARRANTED PROJECTS ONLY-----

APPLICATOR TAKE NOTICE: Before executing, please read this entire document including all statements in section 2.

[1] INFORMATION FOR WARRANTY SUBMIT AFTER PROJECT COMPLETION

The purpose of this section is to obtain all information required for the accurate preparation of the Kemper System America, Inc. ("KSA") warranty. It is important that the Applicator ensure that all requested information is provided correctly. Otherwise, the warranty will often be rejected by the Building Owner or Specifier because the project is not properly described by the warranty documents, resulting in a delay of final payment to the Applicator while the warranty is corrected and reissued.

[2] APPLICATOR'S PROJECT WARRANTY CERTIFICATION STATEMENT

Applicator hereby certifies that this roofing/waterproofing application was installed in accordance with the terms of the Applicator Agreement between the parties, AND in strict accordance with current Kemper System America, Inc. application instructions, installation requirements, and construction details. Applicator requests that a Final Site Review for Warranty be conducted by KSA. Applicator agrees to repair all deficiencies in system application as required by KSA prior to warranty issuance. For a period of five (5) years from date of Project completion, Contractor shall be solely responsible to correct all defects in its workmanship.

Officer Signature: _____ **Title:** _____ **Date:** _____

Note: Warranty charges shall be based upon project size verified by KSA. Warranty costs are generally the responsibility of the Applicator. Therefore, KSA will bill the Applicator for these charges, unless otherwise agreed. In addition to the warranty fee, KSA may charge the Applicator for training and review services and related travel, lodging and expenses, in accordance with the terms of the Applicator Agreement between the parties. All outstanding material invoices, warranty fee invoices, and training and site visit invoices must be paid in full prior to warranty issuance.

***NOTE:** The warranty invoice is valid for 30days from date of issuance. If the invoice is not paid within 30 days it will be voided and no warranty will be available for purchase in the future. The warranty must be fully executed within in 3 months of the final site visit date on this project. Or another final site visit must take place in order to fully execute the warranty.
